New Additions at Tantallon

Colum McCoole

Colum joins the investment team as a director. Having started his career as an analyst at WI Carr in Hong Kong from 1993-96, Colum subsequently spent 9 years at Morgan Stanley on the London CB desk, latterly as head of international convertible research. He was most recently part of a team of portfolio managers at a London-based multi-strategy fund.

Colum has a Bachelor of Commerce degree as well as a Masters in Business Studies from the National University of Ireland in Galway and Dublin.

Roslin Zhu - CFA

Roslin joins as an analyst on the team with an emphasis on supporting the Tantallon BRIC Fund. Roslin previously worked at Hewlett-Packard as a unit process engineer from Jan 2005, where from mid 2006 she was the lead engineer in charge of overall capacity and quality improvement. Prior to Hewlett-Packard she worked for Chartered Semiconductor Manufacturing for 15 months.

Roslin holds a Master of Engineering as well as a Bachelor of Engineering degree from Chemical Engineering department, National University of Singapore. She is also a CFA charterholder.

Kind regards
